A global first for stamp pads. 2 special grips enable 100% clean cartridge change without touching the cartridge insert. Unbelievably small & light: The original printy 4.0 is one of the smallest and lightest self-inking stamps in the world! This makes it perfect to take with you. Easy to read on paper: The crystal clear viewing window on the original printy 4.0 enables the imprints to be positioned with accuracy. The transparent edges of the base enable precise alignment. Simplest text plate mounting: The elevated position of the text plate holder guarantees easiest mounting at all times. Easily removable index window: The large recessed grip ensures extra-easy opening.
